**Charity Golf Tournament to Raise Money  
for Student Scholarships, Teacher Grants**

**SAN DIEGO – July 31, 2018** – The Cal Coast Cares Foundation will hold its inaugural charity golf tournament, presented by Wawanesa Insurance, to raise money for student scholarships and teacher grants.

This event will be held at Maderas Golf Club in Poway on August 17 and will include 18 holes of golf, exciting silent auction prizes and an awards luncheon. Funds raised from the tournament will benefit the non-profit foundation, which awards over \$60,000 in teacher grants and student scholarships annually, including scholarships for current and former foster students in San Diego and Riverside counties.

“We are thrilled to host the foundation’s first charity golf tournament at one of San Diego’s premier courses to provide more funding for local students and teachers, including foster youth,” said Todd Lane, President & CEO of California Coast Credit Union. “With the support of our generous sponsors, donors and the community at large, we can continue to help transform students’ lives.”

Registration begins at 8 a.m. and shot gun tee-off is at 9 a.m. To purchase tickets and for more information on the golf tournament and other Foundation events, visit
