Online Banking Limitations

You may make funds transfers between your enrolled accounts, you have with other financial institutions as often as you like. However, transfers from your savings accounts will be limited to a total of six (6) in any one month. For transfers to other member account(s), the other member must provide you with the account number. You may use this information along with the member's name to transfer funds. You may transfer or withdraw up to the available balance in your account or up to the available credit limit on a line of credit at the time of the transfer, except as limited under this Agreement or your deposit or loan agreements. Additional transfer limitations may apply to External Account Transfers. Please refer to the External Account Transfer Section of this document for additional information. The Credit Union reserves the right to refuse any transaction that would draw upon insufficient or unavailable funds, lower an account below a required balance, or otherwise require us to increase our required reserve on the account.

Authorized Users/Sub-Users

You agree to provide each Authorized User and Sub-User a copy of these terms in connection with their use of the Services. The Credit Union may elect to verify the authenticity or content of any transaction or online request by placing a call to any authorized signer on your account at our discretion. We may delay any transaction or deny your access to Online Banking without prior notice if we are unable to confirm any person's authority to access Online Banking or if we believe such action is necessary for security reasons.

Indemnity

To the extent permitted by applicable law, you agree to indemnify and hold us harmless from any and all third party claims, liability, damages, expenses and costs (inclusive of attorney's fees) caused by or arising from your use of Cal Coast Online or your violation of the terms and conditions contained herein.

Your Liability for Unauthorized Transactions and Advisability of Prompt Reporting (Consumer Accounts Only)

You must tell us AT ONCE if you believe your password has been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission. Telephoning is the best way of keeping possible losses down. A written notification should follow your telephone call. You could lose all the money in your account (plus your maximum overdraft line of credit). If you tell us within two business days, you can lose no more than \$50 if someone used your password without your permission. If you do not tell us within two business days after you learn of the loss or theft of your password, and we can prove that we could have stopped someone from using the password without your permission if you had told us, you could lose as much as \$500.

Also, if your statement shows transfers that you did not make, including those made using your password, or other means, you must tell us at once. If you do NOT tell us within sixty (60) days after the statement was mailed to you, you may not get back any money you lost after the sixty (60) days if we can prove that we could have stopped someone from taking the money if you had told us in time. If we can document a good reason (such as a long trip or hospital stay) kept you from telling us, we will extend the time period.

Telephone Number and Address in Event of an Unauthorized Transaction

If you believe your password has been lost or stolen or that someone will or may use it to transfer money from your account(s) without your permission, you must telephone us at: (877) 495-1600, or write us at: CALIFORNIA COAST CREDIT UNION, P.O. Box 502080, San Diego, CA 92150-2080.

Business and Other Non-Personal Accounts

The error resolution and liability provisions applicable to consumer accounts on the back of our periodic statements or with other documents you may receive from us, if any, do not apply to non-consumer accounts (e.g. Business Accounts). Business Account owners must notify the credit union immediately if they discover any unauthorized transaction or errors. We must receive written notice of and, at our request, an affidavit regarding the problem in a form satisfactory to us within a reasonable time (not to exceed 30 calendar days from the date of discovery or receipt of the first statement, report or notice reflecting the problem, whichever occurs first). If you do not notify us within these timeframes, you will be deemed to have authorized the transactions. The credit union will tell you the results of our investigation of your claim, the basis for our decision and will advise you of the action, if any, we will take.

The time available under ACH rules to reverse an erroneous or unauthorized ACH is limited. You may have to act within a 24-hour time frame. If your request for a reversal of an ACH transfer is not timely, and if we are not solely responsible for the error, and if we are unable to recover the funds from the originating business or bank, we shall have no responsibility to you.

Privacy Policy

Our Privacy Policy, as it may change from time to time, is hereby incorporated by reference herein and shall be deemed a part of this Agreement for all intents and purposes. Please see our [Online Privacy Policy](#).

Terms and Conditions of the External Account Transfer Service

This Agreement sets forth the additional terms and conditions for use of the External Account Transfer Service offered through California Coast Credit Union (CCCU). If the terms and conditions in this Section of this conflict with other terms and conditions contained in the Online Banking Terms and Conditions or the Electronic Funds Transfer Agreement, the terms herein shall control. By enrolling or using the External Account Transfer Service, you agree to the terms and conditions of this External Account Transfer Service Agreement.

Please read this Agreement carefully.

Enrollment

By enrolling an external account, or by making a transfer using this service, you accept all the terms and conditions of this Agreement and:

- You represent that you are an owner of that external account and are authorized by any other owners of the external account to enroll that account to make external transfers.

- You authorize CCCU to initiate credit and debit transactions on the external account entered through CCCU's Online Banking, or to correct any errors that CCCU identified in conjunction with the transfer request.

CCCU reserves the right to reject an enrollment request for any reason, including without limitation, positional fraud, or misuse. You agree to enroll only personal accounts and are aware that not all types of accounts are eligible for external account transfers. Ineligible accounts may include IRAs, certificates, trusts, custodial accounts, business accounts, corporate accounts and other types of accounts.

All External Account Transfers are subject to the rules and regulations of the other financial institution. You agree not to transfer any funds to or from an external account where the transfer would not be allowed under the rules and regulations of such accounts.

Services and Access

Once you have successfully established and authenticated an external account for the External Account Transfer Service, you may use the service to transfer funds to or from your external account(s). You must provide the Credit Union with the information regarding your external account, ABA routing number, account number, name of the external financial institution, and whether the external account is a checking or savings account. By establishing an External Account Transfer, you authorize CCCU to make micro-deposits that the owner/user of the external account must verify, before CCCU will allow that account for External Account Transfer activity.

Acceptance

The credit union may honor but is not required to honor External Account Transfers to external accounts if the account has non-sufficient funds to cover the transfer. CCCU may at its sole discretion:

- Honor funds transfers under the terms of any CCCU overdraft protection program you have with the Credit Union and charge any applicable fees.
- Honor the funds transfer, create an overdraft in your eligible account, and charge any applicable fees.
- Refuse to honor the funds transfer.
- Cancel any or all External Account Transfers established on your account through Online Banking.

Processing

Transmissions originate from the Credit Union offices in San Diego, California. The cut-off time for processing is 5:00 p.m. Pacific Time. External Account Transfers either to or from your CCCU account initiated through Online Banking before 5:00 p.m. Pacific Time on a business day are processed the same day. External Account Transfers initiated after 5:00 p.m. Pacific Time on a business day or any External Account Transfer initiated on a non-business day will be processed on the next business day. Any scheduled External Account Transfer(s) must be cancelled/edited before 5:00 p.m.

Pacific Time on the scheduled processing date. Business days are Monday through Friday. Holidays are not included. You are responsible for understanding and building into your schedule these required cut-off times for processing and any time changes associated with Daylight Savings Time.

If any External Account Transfer deposit request is returned to CCCU for any reason, the Credit Union will return the funds, within a reasonable amount of time to your account.

If any External Account Transfer debit request is rejected or returned, you authorize CCCU to collect from any of your share accounts maintained at the Credit Union including accessing any overdraft protection transfers you have established (refer to the current Service Charge Schedule for applicable fees). If funds are not available from any of your CCCU accounts, you agree to reimburse the Credit Union for the amount of the return along with any applicable service fees, collection fees, and/or legal fees.

Prohibited Payments

Transfers to payees outside of the United States are prohibited and may not be issued under any circumstances. The Credit Union reserves the right to refuse any transfer and we will notify you if we are unable to perform a transfer designated by you. This notification is not required if you attempt to make a prohibited transfer or an exception transfer under this Agreement.

Settlement of Transfers

To effect an External Account we utilize the automated Clearing House (ACH) using applicable ACH Rules. CCCU will debit one of your eligible external accounts and credit your eligible CCCU account. Once your external account has been debited, we credit your CCCU account, subject to a hold on the funds until we are reasonably certain that the debit will not be returned. It takes between three (3) and four (4) business days after transfer for the settlement to take place and the transferred funds to become available.

Transaction limits

For your security, CCCU has established limits on the amount of funds and transactions that can be transferred during any one day.

External Account Transfers will have a limit regardless of the number of eligible external accounts. Limitations on aggregate or individual transfer transaction amounts may be changed at any time without notice. We may establish limits on External Account Transfer dollar amounts from time to time. If you attempt to initiate an External Account Transfer in excess of these limits, we may reject your request. If we permit you to make an External Account Transfer in excess of these limits, such transfer will still be subject to the terms of this Agreement, and we will not be obligated to allow such a transfer at other times. The current daily dollar limit is displayed within Online Banking.

Changes to Fees or Other Terms

CCCU reserves the right to change the fees or other terms of this Agreement at any time. Unless otherwise required by law, we may do so without prior notice to you. Refer to the current Service Charge Schedule for fees associated with External Account Transfers. In addition, you may be charged fees by the external financial institution. Such amendments shall become effective as stated on any notice sent to you.

Use of Services

As a condition to using External Account Transfers, you agree that you are solely responsible for the use of the service and that you will use the service in accordance with this Agreement. You agree it is your responsibility to ensure you enter valid and correct external account information. External Account Transfers sent to invalid or incorrect account numbers may not be recoverable and the Credit Union is not responsible for returning funds due to an unrecoverable External Account Transfer error. You agree that you will not attempt to circumvent the security features of Online Banking or the External Account Transfer Service, make any improper or unauthorized transfer of funds and that you are prohibited from engaging in conduct that would violate the proprietary rights of the owner(s) of Online Banking and this service as well as accessing or using Online Banking or this service in any other unauthorized manner.

You agree to be liable to the Credit Union and its vendors, for any claims, losses, liabilities, damages, expenses, or costs arising as a result of the negligent or intentional misuse of External Account Transfers or Online Banking by you or your authorized users. You are prohibited from using the services for any activity that:

- Would result in you being or becoming a “money service business” as defined in the Bank Secrecy Act and its implementing regulations.
- Knowingly accepts restricted transactions in connection with another person in unlawful Internet gambling as defined in the Unlawful Internet Gambling Enforcement Act and Regulation GG (Prohibition on Funding of Unlawful Internet Gambling).
- Directly or indirectly relates to the use of the service that is illegal or fraudulent.

YOU FURTHER AGREE THAT CCCU SHALL NOT BE LIABLE FOR ANY COSTS, FEES, LOSSES OR DAMAGES OF ANY KIND INCURRED AS A RESULT OF (1) ANY INACCURATE OR INCOMPLETE INFORMATION RECEIVED FROM ANOTHER FINANCIAL INSTITUTION IN CONNECTION WITH EXECUTING YOUR TRANSFER REQUEST TO ANOTHER PERSON'S ACCOUNT AT SUCH FINANCIAL INSTITUTION OR YOUR RECEIPT OF FUNDS FROM SUCH FINANCIAL INSTITUTION; (2) ANY CHARGES IMPOSED BY ANOTHER FINANCIAL INSTITUTION IN CONNECTION WITH CCCU'S EXTERNAL TRANSFER SERVICE TRANSACTIONS; AND (3) ANY TRANSFER LIMITATIONS SET BY ANOTHER FINANCIAL INSTITUTION HOLDING AN ACCOUNT INTO WHICH YOU HAVE REQUESTED A TRANSFER OR FROM WHICH A TRANSFER TO YOUR ACCOUNT HAS BEEN REQUESTED.

IN NO EVENT SHALL CCCU BE RESPONSIBLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES OR EXPENSES ARISING IN CONNECTION WITH YOUR CCCU EXTERNAL TRANSFER SERVICE TRANSFER REQUEST.

EXCEPT AS MAY BE EXPRESSLY SET FORTH IN THIS AGREEMENT OR PROHIBITED BY APPLICABLE LAW, CCCU AND ITS DIRECTORS, OFFICERS AND EMPLOYEES HEREBY DISCLAIM ALL WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT OF INTELLECTUAL PROPERTY OR THIRD PARTY RIGHTS. CCCU MAKES NO WARRANTY OR REPRESENTATION REGARDING THE RESULTS THAT MAY BE OBTAINED FROM THE USE OF THE CCCU EXTERNAL TRANSFER SERVICE, THE ACCURACY OR RELIABILITY OF ANY INFORMATION OBTAINED THROUGH THE CCCU EXTERNAL TRANSFER SERVICE, THE ACCURACY OF ANY INFORMATION RETRIEVED BY CCCU FROM ANY FINANCIAL INSTITUTION HOLDING AN ACCOUNT INTO WHICH YOU HAVE REQUESTED A TRANSFER OR FROM WHICH A TRANSFER TO YOUR ACCOUNT HAS BEEN REQUESTED OR THAT THE CCCU EXTERNAL TRANSFER SERVICE WILL MEET ANY REQUIREMENTS OF ANY USER, BE UNINTERRUPTED, TIMELY, SECURE OR ERROR FREE.

Termination of Service

Termination of the External Account Transfer may be requested by you, or by any other owner presenting ownership of that external account. This Agreement will continue to be in effect for any transactions that cannot be cancelled at the time of your termination. Cancellation of the services for which fees are charged does not release you from liability for any and all fees assessed by us but not yet paid prior to your cancellation of such service.

CCCU reserves the right to terminate any access to this service immediately should you breach any part of this agreement or of the Membership and Account Agreement. The Credit Union may remove any or all enrolled external account(s) for any or no reason, including without limitation fraud, misuse, kiting, ACH transaction returns, or any other unauthorized access to this service. We are also permitted to terminate any or all of the services immediately if we are no longer able to provide such services.

Terms and Conditions of the Bill Pay Service

Service Definitions

- "Service" means the Bill Pay service offered by a third-party vendor through California Coast Credit Union.
- "Agreement" means these terms and conditions of the bill payment service.
- "Biller" is the person or entity to which you wish a bill payment to be directed or is the person or entity from which you receive electronic bills, as the case may be.

- "Payment Instruction" is the information provided by you to the Service for a bill payment to be made to the Biller (such as, but not limited to, Biller name, Biller account number, and Scheduled Payment Date).
- "Payment Account" is the checking account from which bill payments will be debited.
- "Billing Account" is the checking account from which all Service fees will be automatically debited.
- "Business Day" is every Monday through Friday, excluding Federal Reserve holidays.
- "Scheduled Payment Date" is the day you want your Biller to receive your bill payment and is also the day your Payment Account will be debited, unless the Scheduled Payment Date falls on a non-Business Day in which case it will be considered to be the previous Business Day.
- "Due Date" is the date reflected on your Biller statement for which the payment is due; it is not the late date or grace period.
- "Scheduled Payment" is a payment that has been scheduled through the Service but has not begun processing.

Payment Scheduling

The earliest possible Scheduled Payment Date for each Biller (typically four (4) or fewer Business Days from the current date) will be designated within the application when you are scheduling the payment. Therefore, the application will not permit you to select a Scheduled Payment Date less than the earliest possible Scheduled Payment Date designated for each Biller. When scheduling payments you must select a Scheduled Payment Date that is no later than the actual Due Date reflected on your Biller statement unless the Due Date falls on a non-Business Day. If the actual Due Date falls on a non-Business Day, you must select a Scheduled Payment Date that is at least one (1) Business Day before the actual Due Date. Scheduled Payment Dates must be prior to any late date or grace period.

Payment Authorization and Payment Remittance

By providing the Service with names and account information of Billers to whom you wish to direct payments, you authorize the Service to follow the Payment Instructions that it receives through the payment system. In order to process payments more efficiently and effectively, the Service may edit or alter payment data or data formats in accordance with Biller directives.

When the Service receives a Payment Instruction, you authorize the Service to debit your Payment Account and remit funds on your behalf so that the funds arrive as close as reasonably possible to the Scheduled Payment Date designated by you. You also authorize the Service to credit your Payment Account for payments returned to the Service by the United States Postal Service or Biller, or payments remitted to you on behalf of another authorized user of the Service.

The Service will use its best efforts to make all your payments properly. However, the Service shall incur no liability and any Service Guarantee shall be void if the Service is

unable to complete any payments initiated by you because of the existence of any one or more of the following circumstances:

1. If, through no fault of the Service, your Payment Account does not contain sufficient funds to complete the transaction or the transaction would exceed the credit limit of your overdraft account;
2. The payment processing center is not working properly and you know or have been advised by the Service about the malfunction before you execute the transaction;
3. You have not provided the Service with the correct Payment Account information, or the correct name, address, phone number, or account information for the Biller; and/or,
4. Circumstances beyond control of the Service (such as, but not limited to, fire, flood, or interference from an outside force) prevent the proper execution of the transaction and the Service has taken reasonable precautions to avoid those circumstances.

Provided none of the foregoing exceptions are applicable, if the Service causes an incorrect amount of funds to be removed from your Payment Account or causes funds from your Payment Account to be directed to a Biller which does not comply with your Payment Instructions, the Service shall be responsible for returning the improperly transferred funds to your Payment Account, and for directing to the proper Biller any previously misdirected transactions, and, if applicable, for any late payment related charges.

Payment Methods

The Service reserves the right to select the method in which to remit funds on your behalf to your Biller. These payment methods may include, but may not be limited to, an electronic payment, an electronic to check payment, or a laser draft payment. (Funds remitted to the Biller are deducted from your Payment Account when the laser draft is presented to your financial institution for payment).

Payment Cancellation Requests

You may cancel or edit any Scheduled Payment (including recurring payments) by following the directions within the application. There is no charge for canceling or editing a Scheduled Payment. Once the Service has begun processing a payment it cannot be cancelled or edited, therefore a stop payment request must be submitted.

Stop Payment Requests

The Service's ability to process a stop payment request will depend on the payment method and whether or not a check has cleared. The Service may also not have a reasonable opportunity to act on any stop payment request after a payment has been processed. If you desire to stop any payment that has already been processed, you must contact Customer Service. Although the Service will make every effort to accommodate your request, the Service will have no liability for failing to do so. The Service may also require you to present your request in writing within fourteen (14)

days. The charge for each stop payment request will be the current charge for such service as set out in the applicable fee schedule.

Prohibited Payments

Payments to Billers outside of the United States or its territories are prohibited through the Service.

Exception Payments

Tax payments and court ordered payments may be scheduled through the Service; however, such payments are discouraged and must be scheduled at your own risk. In no event shall the Service be liable for any claims or damages resulting from your scheduling of these types of payments. The Service has no obligation to research or resolve any claim resulting from an exception payment. All research and resolution for any misapplied, mis-posted, or misdirected payments will be the sole responsibility of you and not of the Service.

Bill Delivery and Presentment

This feature is for the presentment of electronic bills only and it is your sole responsibility to contact your Billers directly if you do not receive your statements. In addition, if you elect to activate one of the Service's electronic bill options, you also agree to the following:

Information provided to the Biller - The Service is unable to update or change your personal information such as, but not limited to, name, address, phone numbers and email addresses, with the electronic Biller. Any changes will need to be made by contacting the Biller directly. Additionally it is your responsibility to maintain all usernames and passwords for all electronic Biller sites. You also agree not to use someone else's information to gain unauthorized access to another person's bill. The Service may, at the request of the Biller, provide to the Biller your email address, service address, or other data specifically requested by the Biller at the time of activating the electronic bill for that Biller, for purposes of the Biller informing you about Service and/or bill information.

Activation - Upon activation of the electronic bill feature, the Service may notify the Biller of your request to receive electronic billing information. The presentment of your first electronic bill may vary from Biller to Biller and may take up to sixty (60) days, depending on the billing cycle of each Biller. Additionally, the ability to receive a paper copy of your statement(s) is at the sole discretion of the Biller. While your electronic bill feature is being activated, it is your responsibility to keep your accounts current. Each electronic Biller reserves the right to accept or deny your request to receive electronic bills.

Authorization to obtain bill data - Your activation of the electronic bill feature for a Biller shall be deemed by us to be your authorization for us to obtain bill data from the Biller on your behalf. For some Billers, you will be asked to provide us with your user name and password for that Biller. By providing us with such information, you authorize us to use the information to obtain your bill data.

Notification - The Service will use its best efforts to present all of your electronic bills promptly. In addition to notification within the Service, the Service may send an email notification to the email address listed for your account. It is your sole responsibility to ensure that this information is accurate. In the event you do not receive notification, it is your responsibility to periodically logon to the Service and check on the delivery of new electronic bills. The time for notification may vary from Biller to Biller. You are responsible for ensuring timely payment of all bills.

Cancellation of electronic bill notification - The electronic Biller reserves the right to cancel the presentment of electronic bills at any time. You may cancel electronic bill presentment at any time. The timeframe for cancellation of your electronic bill presentment may vary from Biller to Biller. It may take up to sixty (60) days, depending on the billing cycle of each Biller.
