*"Year after year we are inspired by, and proud to support, local students who are pursuing their dreams of higher education, and local teachers who are developing projects to enrich classroom engagement and creative learning. We are grateful for every donor and supporter in the community who has made it possible for the foundation to have a positive impact on so many lives."*

Cal Coast President and CEO and  
former Board Member

## Christina Jeffredo

*Christina is a foster youth scholarship recipient enrolled in the University of California, Riverside School Psychology Doctoral Program. Her dedication to becoming a school psychologist is driven by her passion for supporting foster youth students in schools. She is on track to be part of the less than 1% of foster youth who obtain a graduate degree.*

*"Receiving this grant made it possible for me to offer my students the opportunity to learn principles of mechanical, electrical, software, and systems engineering in a fun, hands-on manner. This will enrich not only their time in the classroom but the quality of their life after."*
