

CAL COAST CARES
FOUNDATION
Charity Golf Event

*Supporting educator grants and student scholarships
including a special scholarship program for foster students.*

This year, we are delighted to announce the Cal Coast Cares Foundation 4th Annual Charity Golf Event benefiting local students and educators which will be held on Monday, August 23, 2021 at an exciting new location - the exclusive Fairbanks Ranch Country Club in Rancho Santa Fe. This golf event raises funds for student scholarships and teacher grants awarded by the Cal Coast Cares Foundation and includes a box lunch, on course contests and a virtual silent auction.

The Cal Coast Cares Foundation was created in 2015 to continue the California Coast Credit Union legacy of supporting the local education community, including teachers, students, and staff. The foundation, a non-profit 501(c)(3), provides scholarships for students and grants to teachers in San Diego and Riverside Counties. None of this would be possible without our generous donors who support our mission to help improve lives in our community.

Help support our foundation and promote your business at the golf tournament by becoming a sponsor and joining us for a round of golf! One hundred percent of the proceeds will support the foundation and help transform lives by funding educational opportunities in our community.
