

## Grant FAQ's

### **Do I have to be a member of California Coast Credit Union to apply for the Educator Grant?**

- No. Being a member is definitely encouraged, but not a requirement to apply. Remember, becoming a member is as easy as opening a [checking](#) or [savings](#) account.

### **Is there a fee to apply for the Educator Grant?**

- Nope! The application process is free and does not require a fee.

### **What type of documentation is required to verify that I am teaching in K-12, public and private schools, community or state college in San Diego or Riverside Counties?**

- Here's what's required to verify legibility of teaching status:
- School I.D. card
- References from the school

### **Can I apply for multiple Educator Grants annually?**

- Only one application per educator per year will be accepted. If your application is unsuccessful, you may reapply the following year.

### **Are support activities or projects outside the STREAM subject categories eligible for the grant?**

- No. The Educator Grant is only for activities or projects that are STREAM-focused.

### **Would an improvement on an existing STREAM-related project be eligible to apply?**

- Possibly! The improvement would need to meet the eligibility requirements listed in the criteria for the grant.

### **When will applicants be notified?**

- Typically, applicants are notified around late August to mid-September.

### **If I receive funding in December, when can I reapply?**

- We ask that grant recipients reapply after one year from receipt of grant funds. Grant cycles typically begin in the first quarter of the calendar year.
